Dear Charlie, Fran and Tam,

Attached is a letter from 10 environmental NGOs and fishing organizations regarding the Board's review
of the 2006 Bay Delta Water Quality Control Plan and the interplay of that process with BDCP.

Thank for consideration of our views. Please let us know if you have any questions or would like to discuss
this further with us. We look forward to working with you on the update of the Water Quality Control
Plan.

Sincerely,

Doug
